### **Teacher Packet Information**

**Registration Kits** - Registration kits will include scholarship numbers, wristbands, your teacher handbook, and a complimentary program. New this year, all registrations with 7 or more dancers registered will receive their registration kits in the mail pre-event. These kits will be delivered by the Monday before the event. We are asking these studios to distribute wristbands and scholarship numbers to their dancers before coming to the venue, which will significantly help with social distancing standards at venues. For studio and independent registrations with 6 dancers or less, we will have your registration kit available on site for pick up. These will be available at our Registration booth for pick up during Registration hours. If you have any changes that need to be made please send a detailed list of these to our admin team by 10am on the Friday before the event and we will have them ready for you at our registration desk for a swift pick up process.

**Program** - You will receive a complimentary competition program in your registration kit. Additional programs are for sale at the Merchandise Booth.

**Wristbands** - Your registration kit includes all of your pre-registered attendees wristbands. All wristbands must be secured on the wrist with only a finger space between the wristband and the wrist. Loose wristbands may be cut off by door guards. Wristbands must be kept on for all days of the convention. No one will be allowed into classrooms without a wristband. Additional wristbands may be available for sale at Registration, depending on availability. Please contact us prior to confirm availability in ballrooms.

**Wristband Level Changes** - Level changes can only be made if there is availability in the room. Due to Covid-19, we have lowered the number of dancers in each room. Please contact the home office for availability in rooms. If the space is available on site, all changes must be done at registration with a registered teacher from your studio.

**Scholarship Numbers** - Your registration kit includes scholarship numbers for all of your pre-registered attendees (excluding teachers & observers). There are two copies of all scholarship numbers within your packet. The second copy is not for another day, but a backup for if the attendee loses their first copy. DanceMakers will *not* be reprinting any scholarship numbers onsite. The scholarship number should be pinned on their clothing so that the number is visible. All scholarships are picked throughout the week by our faculty members in all age levels. Remember, the number *must* be visible to our faculty to be eligible.

**Observers & Bands** - Classrooms will be limited to registered dancers and teachers only. No observers will be allowed in the convention ballrooms in order to limit the amount of people in each room. The exception to this will be our Camp Dance classroom. You will receive 1 Camp Dance Observer Band per registered Camp Dance dancer in your studio registration kit. We ask that each studio only have one observer in this room, but understand with this age group if that is not possible.

**Warm Up and Wrap It Observers Bands** - All registered dancers and teachers are invited to the Monday Warm Up and Thursday Wrap It. Each dancer is allowed to have one observer join them at both events, the Warm Up and the Wrap It. These observers *must* have the white Observer wristband to enter. These white wristbands will be included in the studio's registration kit. 1 white observer band will be issued for each dancer registered. DanceMakers will not be replacing or giving additional bands.

**Waiver** - All registered attendees are required to sign our waiver prior to attending. Please see our waiver on our website!

### **Convention and Competition Information**

If your dancer chooses to wear a mask while performing there will be no point deduction. The DanceMakers crew, staff and faculty will be following these same rules and regulations.

Please log into your DanceMakers registration account to upload music by clicking "Music Manager" feature for your event. MP3 or MP4 files are accepted. Once uploaded you can preview all music! If you need assistance, please contact our admin team prior to your event to assist.

If prop storage is needed please contact registration for assistance. The use of props is the sole responsibility of the studio. Props must be placed and removed from the stage within 2 minutes combined by the studio. Violation of this rule will result in a 5 point reduction. This time limit includes clean up or sweeping time including confetti/glitter/feathers etc. Stage must be left clean by performers. No studio logos are allowed while on stage helping with props. Any obvious studio affiliation will result in a 5 point reduction. Teachers, parents, or students may assist with props. No props or costume pieces to be thrown into judges area. DanceMakers cannot guarantee props over 8'h will fit on the stage.

**Live Stream** - DanceMakers will now be offering LIVE Streaming for all competition and all award ceremonies. Check it out on our DM Dashboard!
